Cansu Arzu Özden

1970 Born in 1970 in Ankara, Cansu Arzu Ozden currently lives in the same city. After graduating from Bilkent University Faculty of Business Administration, she started her career as a petroleum economist at Türkiye Petrolleri Anonim Ortaklığı (TPAO) in 1997. Although the artist continued her corporate life in a different discipline, her passion for art started in her childhood and has always remained alive. The artist, who started his works in the field of figurative painting with acrylic material in 2003, has been mainly using oil paint in the recent years.

Sanatçının In the artworks of the artist, first, especially, the themes of "rose" and then "water" come to the fore. The artist, who continues her discovery and awareness about existence with her artistic pursuits, is experiencing a process of evolution in a balanced journey by embracing the accumulation from the past while not missing the present. Recently, Özden continues her search and practices in different art disciplines, including digital media. She continued her creative journey in this context for a while in the workshop called "Artdoradas", which she founded together with Banu Üçüncüoğlu. Since 2022, she has been continuing her works in her own studio. She has also carried out long-term workshops with artist Fatih Kahya.

Cansu Arzu Özden has participated in various exhibitions and art events during her art career. She held her first solo exhibition "Smile" (Gülümse) in Ankara in 2007, second solo exhibition "The smell of the Sea" (Deniz Kokusu) in Ankara in 2023, third solo exhibition "Breath of the Sea" (Denizin Nefesi) in Samsun and fourth solo exhibition in İstanbul (Bakraç Galeri) in 2024. She, under Artdoradas, organized an exhibition in Ankara in 2021 in memory of Serdar Karakılçık. Her artworks were exhibited in art fairs such as ARTANKARA in 2022, Bodrum Art Fair in 2023, ARTANKARA, IAAF İzmir, ARTNOUVA Ankara and Mersin Art Fair in 2024. She still continues to work full time on her art.
